

Fleadh Photo / Video Rules

CONDITIONS ON WHICH PERMITS ARE GRANTED FOR AUDIO, AUDIOVISUAL & ALL SUCH RECORDINGS AT THE MIDWEST FLEADH.

It is understood that all applicants for and holders of a recording permit are personally responsible for complying with CCÉ's Child Protection Policy.

A competitor's performance in competition may only be recorded with permission from the Fleadh Committee / Comhaltas Ceoltóirí Éireann (CCÉ).

A separate application form must be submitted for each competitor or competing group (duets, trios, céilí bands, dancing groups, etc) which the applicant wishes to record.

In the case of non-solo competitions the written consent of one member of the group will be sufficient. A parent/guardian must sign the application form in the cases of a competitor under 18 years of age, irrespective of the age category of the competition.

The written permission of CCÉ (this being a valid permit for the competition in question and the competitor in question) for a recording must be presented to the call steward/venue staff for the relevant competition before the competition commences.

Permission to record a competitor applies to that competitor's performance only. Under no circumstances may any other competitor's performances be recorded. Under no circumstances should the oral adjudication or any dialogue, instruction or communication by the call steward be recorded.

The recording of a competitor must not interfere in any way with the smooth running of the competition and must be in compliance with the instruction of venue staff. All recordings of dancing competitions/competitors must be taken from the back of the venue or from the location designated by the call steward/venue staff.

It is understood that all applicants for and holders of a recording permit are personally responsible for complying with CCÉ's Child Protection Policy. It is understood that the permit holder is responsible for the authenticity of all information on the application form. All signatures are understood by the relevant Fleadh Committee/CCÉ to be valid and are thus accepted in good faith.

It is understood that the use of recordings facilitated through a CCÉ permit is the sole responsibility of the permit holder. In issuing the above recording permit it is understood that the product/recording is used only for private use.
